AAA MERRIMACK VALLEY members and friends are in for a treat!! Last fall, we hosted a group tour to Branson which was fabulous ... many of our tour members expressed interest in returning for the 22nd Ozark Mountain Christmas in Branson in 2010. And what a tour it will be!! Recognized as a Top 100 Event in North America, Branson is transformed into a holiday oasis. Visitors to Branson can enjoy Christmas-themed, star-studded production shows, millions of holiday lights, theme park festivals, name-brand outlet and boutique shopping, outdoor events and attractions, and warm Ozarks hospitality. Holiday shows feature live entertainment from performers known around the world. Almost every theatre in Branson creates a magical Christmas show for its visitors. Holiday shows feature special holiday sets, costumes and music throughout the show. Carols and hymns, old and new, plus the special effects will surely put you in the holiday spirit. The area offers some of the nation's most spectacular lighting displays. Area businesses participate in the Festival by adorning their storefronts and grounds with colorful lights to further add to the spirit-filled atmosphere of the season. The Branson Area Festival of Lights will keep you "ooing" and "aahing" as you drive through these incredible light displays. One of the highlights is The Shepherd of the Hills Trail of Lights! Your drive through this magical Christmas Wonderland ends at Inspiration Tower. Climb to the top (or take the elevator) for a site to take your breath away of the Ozark Mountains and Branson literally "lit up like a Christmas tree!" AAA MERRIMACK VALLEY'S tour features air travel via Air Tran Airways from Boston directly into Branson Airport which is wonderful!
