## AAA's Senior Driver Expo *Behind the Wheel. Ahead of the Curve.*

AAA's Senior Driver Expo provides information on AAA's research-based tips, tools and resources for senior drivers and their families. The interactive and information Expo is designed to help keep seniors driving for as long as safely possible – and mobile thereafter. The AAA Senior Driver Expo is a chance for you to get ahead of the curve and be better prepared to stay behind the wheel longer!

### At the AAA Senior Driving Expo, you can:

- Get expert advice
- Test your driving health
- Find your perfect vehicle fit
- Learn how to extend your safe driving years

AAA is dedicated to keeping senior road users driving as long as safely possible. The Senior Driver Expo is part of AAA's Lifelong Safe Mobility campaign, which was launched in recognition of the changing demographics of the driving population. When it is not possible for seniors to drive, AAA is committed to promoting viable transportation options.
